Prescription Drug Benefit Manager

Effective June 1, 2021, the Plan’s Prescription Drug Benefit Manager (PBM) will change from Prime Therapeutics to Express Scripts. Express Scripts will provide all of your prescription drug services that are currently being performed by Prime. The Express Scripts network includes over 72,000 pharmacies nationwide, including all of the major retail pharmacy chains except CVS, Wal-Mart, Target, Hy-Vee, Sam’s Club, Costco, and Coborn’s. Any amounts you’ve paid in 2021 towards satisfying your annual deductibles and out-of-pocket maximums will carry-over with the new medical and prescription benefit networks.

Please watch your mail towards the end of the May for your new ID card. Your new ID card will be mailed to you directly from UnitedHealthcare/UMR and will include your Express Scripts ID number.

IMPORTANT – You will need to use your new UnitedHealthcare/UMR ID card as of June 1, 2021 for all medical and prescription services.
